# European Researcher's Night

The European Researchers' Night is a mega event that takes place every year simultaneously in many cities all over Europe and beyond. The key objective of the event is to motivate and inspire the youth to enjoy, understand and pursue science and technology by connecting them with outstanding scientists and innovations. beSCIENCEd is Austria's contribution to this event, hosted by the Practical Robotics Institute Austria in partnership with the Vienna Institute of Technology (TGM).

Friday 15:00-22:00

TGM, Wexstrasse 19-23, 1200 Vienna
